Notes

- Tux can be purchased from any tux shop.
- Can be purchased directly from other 4th degree Knights, for example, if someone is purchasing new and would like to sell their old regalia or in the case of the death of a Sir Knight.
- Suggest that all Assemblies have several sets of Assembly owned regalia for Sir Knights that do not have personal regalia to use for color and honor guards.
- Be very careful when purchasing from other sites as there are many sites selling regalia but are not sanctioned by Supreme and many times are not the correct colors.
