CATALOG 2010

SUPREME OFFICE
KNIGHTS OF COLUMBUS
PO BOX 1670

HOW TO FIND ITEMS IN THIS CATALOG

The Supply Catalog has been formatted to help you locate materials more quickly. Major categories of items are identified, with related materials listed in each section. The TABLE OF CONTENTS (page 3) provides an initial map to finding your treasure.

If you don't have an item name or number, having a general idea of what you want and how you'll use it will help. The TABLE OF CONTENTS, with the key headings and descriptions, will be an important guide.

You can expect to find a "Fourth Degree Minute Book" (#437) in the ASSEMBLY SUPPLIES — Administrative section or a Columbian Squires "Ask Me?" button (#1604) in the CIRCLE SUPPLIES — Membership section. Also, being familiar with the Order's "Surge . . . with Service" organizational chart, *vocations* materials can be found under Church Activities and *pro-life* items are located under Community Activities of the COUNCIL SUPPLIES — Programming section.

We hope that you will find this Supply Catalog easy to use. We would also appreciate hearing your comments and suggestions for improving this catalog for the future.

FACELIFT FOR THE FACADE — 21 Minutes. By the mid-1980's, 350 years of wind, sun and rain had taken their toll on St. Peter's Basilica in Rome, one of Christendom's most revered sites. The elements had dulled the splendor of the church and threatened further deterioration. In the spring of 1985, the Knights of Columbus stepped forward and funded a team of 70 artisans who would refurbish the aging facade. Within two years its travertine stone walls were hand cleaned, the tiles replaced and surrounding statues reconditioned. As this film reveals, through the efforts of the Knights the church was restored to its original magnificence. DVD #24797

CROWNING ACHIEVEMENT — 15 Minutes.
